 2. Jupadu Banglow-1 L.I Scheme

Further he has stated that the estimate cost of the above Lift irrigation Schemes have been revised as these estimates were prepared with SSR 2009-10 and sent to Government of India two years back. The Government of India has considered the proposals and sanctions are accorded now. Meanwhile two SSRs came into force i.e, for the year 2010-11 and 2011-12 which have resulted in considerable increase in the cost of scheme component works. For calling tenders and fixing the agencies for executing the works of these Lift Irrigation Schemes, the revision of estimates was necessitated. Hence, the estimates have been re-casted with present SSR 2011-12. The extra cost over and above the Central Government grant is proposed to be met from the State Government share.

P.T.O

3. The Vice chairman & Managing Director APSIDC has further reported that the Government of India has proposed extra ayacut indicated in parenthesis while sanctioning the above 3 L.I Schemes i.e., 1.
